

PROGRAMME DOCTORAL ÉCOLOGIE ET BIOLOGIE ÉVOLUTIVE
DOCTORAL PROGRAM IN ECOLOGY AND EVOLUTION

→ **September 10–11, 2015** ←

University of Fribourg, Switzerland

Ecological networks in a spatial context: beyond local analyses of species interactions

Thursday Sept. 10

- 09:30 Arrival and registration
- 10:00 Welcome and introduction (L. Pellissier)
- Jordi Bascompte** Zurich University
- 10:15 Introduction to mutualistic networks
- 11:00 Coffee break
- 11:30 Mutualistic networks in a spatial context
- 12:30 Lunch
- Gérard Lacroix** CNRS – iEES Paris
- 14:00 TBA. Part I
- 14:45 TBA. Part II
- 15:45 Coffee break
- Carlos Melian** EAWAG Kastanienbaum
- 16:15 Interdependent networks in ecology and evolution
- 17:00 Dispersal dynamics in food webs
- 19:00 Dinner in the Botanical Garden

Friday Sept. 11

- Guy Woodward** Imperial College London
- 08:30 TBA. Part I
- 09:15 TBA. Part II
- 10:15 Coffee break
- Serguei Saavedra** Zurich University & ETHZ
- 10:45 Linking structure and dynamics in ecological networks. Part I
- 11:30 Linking structure and dynamics in ecological networks. Part II
- 12:30 Lunch
- Michel Loreau** CNRS – Moulis
- 14:00 Biodiversity and the functioning, stability, and services of ecosystems at multiple scales. Part I
- 14:45 Biodiversity and the functioning, stability, and services of ecosystems at multiple scales. Part II
- 15:45 Conclusion and farewell
