

Inter-university course “Plant imaging: advanced light microscopy”

University of Geneva, January 2026

Tuesday, January 27th

9h – 10h / Room 0019 (Sciences III)

Registration

Introduction

Participants’ presentations

10h – 11h45 / Room 0019 (Sciences III)

Lecture “Fluorescence microscopy”

11h45 – 13h

Lunch break

13h – 14h30 / Bioimaging Center (Sc. II)

Hands-on microscopy (1st rotation)

14h30 – 14h45

Coffee break

14h45 – 16h30 / Room 0019 (Sciences III)

Lecture “Sample preparation”

Wednesday, January 28th

9h – 11h15 / Lab 2065A (Sciences III)

Hands-on “Intro to histology”

11h15 – 11h30

Coffee break

11h30 – 13h / Bioimaging Center (Sc. II)

Hands-on microscopy (2nd rotation)

13h – 14h

Lunch break

14h – 15h30 / Bioimaging Center (Sc. II)

Hands-on microscopy (3rd rotation)

15h30 – 17h / Room 0019 (Sciences III)

Hands-on image analysis
